

INCLEMENT WEATHER POLICY

New City closings & delays are listed on the WLOS inclement weather alert system. In the case of inclement weather, we will monitor conditions closely before making a decision on a closing or delay. However, we encourage you to make your own judgement as to whether it is safe to transport your child to school.

There may also be occasions when school must close early because of an approaching storm or increasingly difficult road conditions. For this reason, last minute notification is always a possibility. Information will be posted as soon as it is received. We appreciate your patience.

All announcements of cancellations, delays or early dismissals will be made over the WLOS (local news) and radio stations. **You can SIGN UP for mobile text alerts sent directly to your phone.** To sign up, visit <http://wlos.com/weather/text-alerts> and select "New City Christian School" under "Private Schools."

****Please note: if you are unable to pick up your child, you MUST make arrangements for someone else to be able to receive your child in the event of an early closing. It is imperative that we have current phone numbers for your household. If there have been any changes, please notify the office immediately.**

*Again, please use your own judgement as to whether it is safe to transport your child to school. If school opens and your roads are too dangerous to travel, your child's absence will be excused for that day if you **send a note** upon his/her return to school.*
