NEW BEGINNINGS

New students, staff and dreams, and renewed determination come with the start of a new school year.

SETTING THE COURSE

Relay Race: Students make sure every drop goes into the bucket. The group task demonstrates teamwork and thoroughness over speed. In the beginning weeks of the year, teachers set the course for their students' success.

"Do you not know that in a race all the runners run, but only one gets the prize? Run in such a way as to get the prize." [1 Corinthians 9:24 (NIV)]

MORE GOOD REPORTS

First PRO* award winners:

Hayden and Aubrey
*people respecting others

Teachers submit the names and actions of students who are respecting others. On Friday, Principal Fuller randomly pulls two names out of the hat.

Third grade's Second Annual Classic Tales Tea Party. Scones, tarts, cucumber sandwiches, and of course tea. Students practiced manners and discussed literature.

New City partners with parents even more effectively now that we offer an online system to deliver students' progress (in real time!) and other school information.

Students contribute to Hurricane Florence relief efforts by partnering with Hearts with Hands.
